

Course Overview

Learning Objectives

At the end of the course, participants will be able to:

- Describe different approaches to leadership
- Recognise the challenges facing public sector leaders
- Describe the potential benefits and costs of collaboration in the context of achieving development results
- Describe the role of public leaders in achieving the SDGs
- Identify possible strategies, techniques and tools to lead effectively
- Describe the leadership skills necessary to promote and support the achievement of the SDGs

Course Units

Unit 1: Introduction to Leadership

Unit 2: Leadership in the Public Sector

Unit 3: Today's Challenges for Public Leaders

Unit 4: Collaborative Leadership

Unit 5: Leadership and the Agenda 2030

Unit 6: Forecasting Future Global Trends and their Impact on Leadership

Methodology

The course is based on UNITAR's sound adult learning pedagogical principles. Each module includes interactive readings, self-assessment activities and quizzes. The learning activities are distributed in such a way to ensure the achievement of the learning objectives in a flexible manner.

Participant profile

The course is designed for emerging public-sector leaders, civil servants and managers from both developed and developing countries.

Certification

A certificate of completion will be issued to participants who achieve a course total of 70% or above. A certificate of participation will be issued to participants who achieve a final course score less than 70%.
